

CameraParam

```
classDiagram
    class CameraParam
    class OrthographicCameraParam
    OrthographicCameraParam --|> CameraParam
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'OrthographicCameraParam'. A blue arrow points vertically upwards from the center of this box to the center of a white box labeled 'CameraParam' positioned above it. This indicates that 'OrthographicCameraParam' inherits from 'CameraParam'.
